Features:
- Excellent in heat resistance (~200°C), oil resistance, ozone resistance, and chemical resistance.
- Standard

Tube Clips / Tube Cutter

Tube Cutter

Features:
- New edges can be used by turning the chevron blade 180 degrees.
- The tube cutter can be safely stored using the lock mechanism.
- Tube can be cut at a desired length using the built-in measure.

Tube Cutter Replacement Blade

Features:
- The tube can be cut at a desired length using the built-in measure.
- The tube cutter can be safely stored using the lock mechanism.

Tube Clips

Features:
- Prevents shrinkage of tube from inside.
- Insert this into the connecting part of soft tubes.
